

If you are unable to be present at the assigned Mass, please ask another lector or minister to trade places ahead of the scheduled time, or call me by 7:30 on the morning of the Mass (see number, next page). Please note that some months, some Ministers will serve twice until we get more Ministers. This will be rotated. In months with five weekends, all Ministers will serve twice. Lectors and Ministers: Please try to arrive 10-15 minutes before 9 AM. We are now going to be doing the introductory material, the first reading, and the intentions. The student lectors will do the second reading in May; we will do the second reading starting in June. Please check that the student lector is there. If I know in advance about the student, I will let you know.
